

# Glee - Bust Your Windows

Tom: Ab  
Intro: Fm D7 Gm Cm Eb D7

I bust the windows out your car  
And no it didn't mend my broken heart  
I'll probably always have these ugly scars  
but right now I don't care about that part.  
I bust the windows out your car  
After I saw you looking right at her  
I didn't wanna but I took my turn  
I'm glad I did it cuz you had to learn

I must admit it helped a little bit  
To think of how you feel when you saw it  
I didn't know that I had that much strength  
But I'm glad you see what happens when  
You see you cant just play with peoples feelings  
Tell them you love them and don't mean it  
you'll probably say that it was juvenile  
But I think that I deserve to smile  
(Gm D7 )

(mesmos acordes até o fim da música)

I bust the windows out ya car  
You know I did it cuz I left my mark  
with my initials with a crowbar  
And then I drove up into the door

I bust the windows out ya car  
you should feel lucky that was all I did  
After 5 whole years of this bullshit

Gave you all of me and you played with it

I must admit it helped a little bit  
To think of how you feel when you saw it  
I didn't think that I had that much strength  
But I'm glad too see what happens when

You see you cant just play with peoples feelings  
Tell them you love them and don't mean it  
You probably say that it was juvenile  
But I think that I deserve to smile

Bustin out yo car  
But it don't come back to my broken heart  
You could never feel I how I felt that day  
Until it happens baby you don't know pain

Ooh Yeah I did it (yeah I did it)  
You should know it (you should kno it)  
I ain't sorry (I ain't sorry)  
You deserved it (you deserved it)  
After what you did to me (after what you did)  
You deserve it (you deserve it)  
I ain't sorry no no (I ain't sorry)

You caused me pain  
Bustin out yo car(?)  
But it don't come back to my broken heart  
You could neva feel I how I felt that day  
Until it happens baby you don't know pain  
Ooh Yeah I did it (yeah I did it)  
You should know it (you should kno it)  
I ain't sorry (I ain't sorry)  
You deserved it (you deserved it)  
After what you did to me (after what you did)  
You deserve it (you deserve it)  
I ain't sorry no no (I ain't sorry)

Even though what you did to me was much worse  
I had to do something to make you hurt  
Oh but why am I still crying?  
Why am I the one who's still crying?  
Oh oh you really hurt me baby  
You really you really hurt me baby  
Hey hey hey hey hey  
Now watch me Yule  
Now watch me Yule  
Oooh I bust the windows out your car.
