

Glee - Crush

```
Tom: E
                                                         You say the word "forevermore"
Intro: Dbm
          В
               Gbm
                      Abm
                                                         That's not what I'm looking for
Dhm
                                                                          Abm
                                                         All I can commit to is "maybe"
Ahh...
Crush
Gbm
       Abm
                                                         So let it be what it'll be
Ahh....
                                                                                                      Abm
                                                         Don't make a fuss and get crazy over you and me
I see ya blowin' me a kiss
                                                         Here's what I'll do
                                                         I'll play loose
It doesn't take a scientist
                                                                          Gbm
                                                        Not like we have a day with destiny
To understand what's going on ba - by
  Dbm
                                                                       Gbm
                                                         It's just a little crush
If you see something in my eye
                                                                                  Gbm
                                                                       Abm
                                                         Not like I faint eve - ry time we touch
Let's not over analyze
                                                            Abm Gbm
Don't go too deep with it baby
                                                         It's just some little thing
                                                                                     Gbm
                                                               Α
                                                         Not like everything I do
So let it be what it'll be
                                                                В
                                                         Depends on you
                                              Abm
Don't make a fuss and get crazy over you and me
                                                               В
                                                         Vanilla skies
Dbm
Here's what I'll do
                                                                В
                                                                                         Dbm
I'll play loose
                                                         White picket fences in your eyes
                 Gbm
Not like we have a day with destiny
                                                         A vision of you and me
   Dbm
             Gbm
                                                             Dbm
It's just a little crush
                                                         It's just a little crush
      A Abm
                                                              A Abm
                                                         Not like I faint eve - ry time we touch
Not like I faint eve - ry time we touch
   Abm Gbm
                                                           Abm Gbm
                                                         It's just some little thing
It's just some little thing
                                                              A Abm
                                                         Not like everything I do
Not like everything I do
      В
                                                               В
                                                         Depends on you
Depends on you
                                                            Dbm
                                                         It's just a little crush
                                                              A Abm
                                                         Not like I faint eve - ry time we touch
It's raising my adrenaline
                                                            Abm Gbm
                                                         It's just some little thing
You're banging on a heart of tin
                                                              Α
                                                                             Abm
Please don't make too much of it baby
                                                         Not like everything I do
                                                               В
                                                         Depends on you
