Tom: D  
Intro: D Em Bm G

Verso 1:

D Em  
Do you ever feel like a plastic bag  
Bm  
Drifting throught the wind  
G  
Wanting to start again  
D Em  
Do you ever feel, feel so paper thin  
Bm  
Like a house of cards  
G  
One blow from caving in  
D Em  
Do you ever feel already buried deep  
Bm  
Six feet under scream  
G  
But no one seems to hear a thing  
D Em  
Do you know that there's still a chance for you  
Bm  
Cause there's a spark in you

Pre-Refrao:

G D Em  
You just gotta ignite the light  
Bm G  
And let it shine  
D Em  
Just own the night  
Bm G  
Like the Fourth of July

D  
Cause baby you're a firework  
Em Bm G  
Come on show 'em what your worth  
D Em  
Make 'em go Oh, oh, oh!  
Bm G  
As you shoot across the sky-y-y  
D  
Baby you're a firework  
Em Bm G  
Come on let your colors burst  
D Em  
Make 'em go Oh, oh, oh!  
Bm G  
You're gunna leave 'em fallin' down-own-own

Verso 2:

D Em  
You don't have to feel like a waste of space  
Bm G  
You're original, cannot be replaced  
D Em  
If you only knew what the future holds  
Bm G  
After a hurricane comes a rainbow

D Em  
Maybe you're reason why all the doors are closed  
Bm G  
So you can open one that leads you to the perfect road  
D Em  
Like a lightning bolt, your heart will blow  
Bm G  
And when it's time, you'll know
