

# Glee - Get It Right

Tom: D  
Intro: Bm A G

Bm G  
What have I done?  
D  
I wish I could run,  
A  
Away from this ship going under,  
Bm G  
Just trying to help  
D  
Hurt everyone else  
A  
Now I feel the weight of the world is  
Bm A G A  
On my shoulders

D A  
What can you do when your good isn't good enough  
Bm A G  
And all that you touch tumbles down?  
D A  
Cause my best intentions keep making a mess of things,  
Bm A G  
I just wanna fix it somehow  
Bm A G  
But how many times will it take?  
Bm A G  
Oh, how many times will it take for me  
D A  
To get it right?  
Bm A G  
To get it ri-ii-ight?

Bm G  
Can I start again,  
D  
With my faith shaken?  
A  
Cause I can't go back and undo this  
Bm G  
I just have to stay  
D  
And face my mistakes,  
A

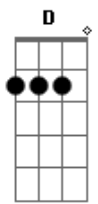

But if I get stronger and wiser,  
Bm A G A  
I'll get through this

D A  
What can you do when you're good isn't good enough?  
Bm A G  
And all that you touch tumbles down?  
D A  
Cause my best intentions keep making a mess of things,  
Bm A G  
I just wanna fix it somehow  
Bm A G  
But how many times will it take?  
Bm A G  
oh, how many times will it take for me  
D A  
To get it right?

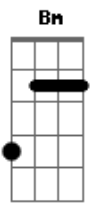

G Bm  
So I throw up my fists,  
G  
throw a punch in the air,  
A G  
And accept the truth that sometimes life isn't fair!  
Bm G  
Yeah, I'll send down a wish and I'll send up a prayer  
A G D  
Then finally someone will see how much I care

D A  
What can you do when your good isn't good enough  
Bm A G  
And all that you touch tumbles down?  
D A  
Cause my best intentions keep making a mess of things,  
Bm A G  
I just wanna fix it somehow  
Bm A G  
But how many times will it take?  
Bm A G  
oh how many times will it take for me  
D A  
To get it right?  
Bm A G  
To get it ri-ii-ight?
