

Glee - Get It Right

Tom: D
Intro: Bm A G

Bm G
What have I done?
D
I wish I could run,
A
Away from this ship going under,
Bm G
Just trying to help
D
Hurt everyone else
A
Now I feel the weight of the world is
Bm A G A
On my shoulders

D A
What can you do when your good isn't good enough
Bm A G
And all that you touch tumbles down?
D A
Cause my best intentions keep making a mess of things,
Bm A G
I just wanna fix it somehow
Bm A G
But how many times will it take?
Bm A G
Oh, how many times will it take for me
D A
To get it right?
Bm A G
To get it ri-ii-ight?

Bm G
Can I start again,
D
With my faith shaken?
A
Cause I can't go back and undo this
Bm G
I just have to stay
D
And face my mistakes,
A

But if I get stronger and wiser,
Bm A G A
I'll get through this

D A
What can you do when you're good isn't good enough?
Bm A G
And all that you touch tumbles down?
D A
Cause my best intentions keep making a mess of things,
Bm A G
I just wanna fix it somehow
Bm A G
But how many times will it take?
Bm A G
oh, how many times will it take for me
D A
To get it right?

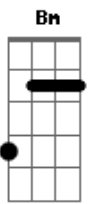

G Bm
So I throw up my fists,
G
throw a punch in the air,
A G
And accept the truth that sometimes life isn't fair!
Bm G
Yeah, I'll send down a wish and I'll send up a prayer
A G D
Then finally someone will see how much I care

D A
What can you do when your good isn't good enough
Bm A G
And all that you touch tumbles down?
D A
Cause my best intentions keep making a mess of things,
Bm A G
I just wanna fix it somehow
Bm A G
But how many times will it take?
Bm A G
oh how many times will it take for me
D A
To get it right?
Bm A G
To get it ri-ii-ight?
