

Glee - Love You Like a Love Song

Tom: E

It's been said and done
 Every beautiful thought's been already sang
 And I guess right now, here's another one
 So your melody will play on and on
 With the best of them
 You're beautiful
 Like a dream come alive, incredible
 A centerfold miracle, lyrical
 You've saved my life again
 And I want you to know baby

I, I love you like a love song baby
 I, I love you like a love song baby
 I, I love you like a love song baby

I, I love you like a love song baby
 I, I love you like a love song baby
 I, I love you like a love song baby

Constantly
 Girl, you played through my mind like a symphony
 There's no way to describe what you do to me
 You just do to me what you do
 And it feels like I've been rescued
 I've been set free

I'm hypnotized by your destiny
 You're magical, lyrical, beautiful
 You are
 I want you to know baby

I, I love you like a love song baby
 I, I love you like a love song baby
 I, I love you like a love song baby

I, I love you like a love song baby
 I, I love you like a love song baby
 I, I love you like a love song baby

No one compares
 You stand alone
 To every record I own
 Music to my heart
 That's what you are
 A song that goes on and on

I, I love you like a love song baby
 I, I love you like a love song baby
 I, I love you like a love song baby

I, I love you like a love song baby
 I, I love you like a love song baby
 I, I love you like a love song baby
