

Glee - Mine

Tom: G

C G D Em x3 C G

C G D Em
You were in college working part time waiting tables

C G D Em
Left a small town, never looked back

C G D Em
I was a flight risk with a fear of falling

C G D
Wondering why we bother with love if it never lasts

C G D C G
I say can you believe it?

D C G
As we're lying on the couch

D
The moment I could see it

C G D
Yes, yes, I can see it now

C G
Do you remember we were sitting there by the water

D Em D
You put your arm around me for the first time

C G
You made a rebel of a careless man's careful daughter

D Em D C
You are the best thing that's ever been mine

C G D Em
Flash forward and we're taking on the world together

C G D
And there's a drawer of my things at your place

C G D Em
You learn my secrets and you figure out why I'm guarded

C G D
You say we'll never make my parents' mistakes

C G D
But we got bills to pay

C G D
We got nothing figured out

C G D
When it was hard to take

C G D
Yes, yes, this is what I thought about

C G
Do you remember we were sitting there by the water

D Em D
You put your arm around me for the first time

C G
You made a rebel of a careless man's careful daughter

D Em D
You are the best thing that's ever been mine

C G
Do you remember all the city lights on the water

D Em D
You saw me start to believe for the first time

C G
You made a rebel of a careless man's careful daughter

D Em D
You are the best thing that's ever been mine

C G
Do you remember we were sitting there by the water

D Em D
You put your arm around me for the first time

C G
You made a rebel of a careless man's careful daughter

D Em D C
You are the best thing that's ever been mine

Em C
And I remember that fight, two thirty AM

D
You said everything was slipping out of our hands

Em C D
I ran out crying and you followed me out into the street

C G D
Braced myself for the goodbye

C G D
'Cause that's all I've ever known

C G D
And you took me by suprise

C G D C
You said I'll never leave you alone

You said

C G
I remember how we felt sitting by the water

D Em D
And every time I look at you it's like the first time

C G
I fell in love with a careless man's careful daughter

D
She is the best thing that's ever been mine

C G
Hold on, we can make it last

D Em D
Hold on, never turn back

C G
You made a rebel of a careless man's careful daughter

D
You are the best thing that's ever been mine

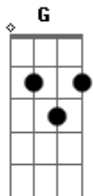

C G D
(Hold on) Do you believe it?

C G D
(Hold on) We're gonna make it now

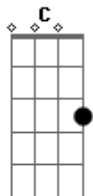

C G D
(Hold on) And I can see it

C G D
Yeah, yeah (I can see it now, see it now, see it now)
