She ain't gonna be able to love you like I will  
**Gbm**  
She is a stranger,

You and I have history, or don't you remember?  
**Gbm**  
Sure, she's got it all  
**Ebm** **E**  
But, baby, is that really what you want?  
**Gbm**  
Bless your soul, you've got you're head in the clouds  
**Ebm**  
You made a fool out of you  
**E**  
And, boy, she's bringing you down

**Gbm**  
She made your heart melt  
**Ebm**  
But you're cold to the core  
Now rumour has it she ain't got your love anymore
