

# Glee - Survivor / I Will Survive

Tom: C

At first I was afraid, I was petrified  
 Kept thinking I should never live without you by my side  
 But then I spent so many nights thinking how you did me wrong  
 I grew strong and I learned how to carry on  
 And so you're back from outer space  
 I just walked in to find you here with that sad look upon your face  
 I should have changed that stupid lock I should have made you leave your key  
 If I had known for just one second you'd be back to bother me  
 Go on now go, walk out the door  
 Just turn around now, 'cause your not welcome anymore  
 Weren't you the one who tried to hurt me with goodbye  
 You think I'd crumble, you think I'd lay down and die?  
 I'm a survivor, I'm not gon' give up  
 I'm not gon' stop, I'm gon' work harder

I'm a survivor, I'm gonna make it  
 I will survive, keep on surviving  
 Thought I couldn't breathe without you,  
 I'm inhalin'  
 You thought I couldn't see without you,  
 Perfect vision,  
 You thought I couldn't last without ya,  
 But I'm lastin'  
 You thought that I would die without ya,  
 But I'm livin'  
 Thought that I would fail without ya,  
 But I'm on top,  
 Though it would be over by now,  
 But it won't stop,  
 But I'm still here,  
 Even in my years to come,  
 I'm still gon' be here.
