

# Glee - You And I

Tom: D

It's been a long time since I came around  
 It's been a long time but I'm back in town  
 But this time I'm not leaving without you  
 Just you and I, sharing our love together.  
 I know in time we'll build the dreams we treasure,  
 We'll be all right, just you and I,  
 There's something, something about this place  
 Just you and, jus you and I  
 Something about lonely nights and my lipstick on your face  
 Just you and I  
 Something something about my cool Nebraska guy  
 Yeah something about  
 Baby you and I  
 Just you and I, sharing our love together.  
 I know in time we'll build the dreams we treasure,  
 We'll be all right, just you and I,  
 There's something, something about this place  
 Just you and, jus you and I

Something about lonely nights and my lipstick on your face  
 Just you and I  
 Something something about my cool Nebraska guy  
 Yeah something about  
 Baby you and I  
 And I remember our first embrace,  
 The smile that was on your face,  
 The promises that we made,  
 Oh and now, your love is my reward,  
 And I love you even more than I ever did before,  
 There's something, something about this place  
 Just you and, just you and I  
 Something about lonely nights and my lipstick on your face  
 Just you and I  
 Something something about my cool Nebraska guy  
 So put your drinks up for Nebraska, for Nebraska, Nebraska I  
 love ya  
 You and I  
 You you and I  
 Nebraska I'd rather die,  
 Without you and I  
 We made it you and I
