

Glen Campbell - Don't Put Your Love

tom:

Intro: G E7 Am7 D

[Primeira Parte]

Don't pull your love out on me baby
 If you do, I think that maybe I'll just lay
 Me down and cry for a hundred years
 Don't pull your love out on me, honey
 Take my heart, my soul, my money
 But don't leave me here to drown in my own tears

[Ponte]

You say you're gonna leave
 Gonna take that big white bird
 Gonna fly right out of here without a single word
 But you know you'll break my heart
 When I watch you close that door
 'Cause I know I won't see you any more

[Segunda Parte]

Kiss me each morning for a million years
 Hold me each evening by your side
 Tell me you love me for a million years
 Then if it don't work out

Then if it don't work out
 Then you can tell me goodbye

[Terceira Parte]

Sweeten my coffee with a morning kiss
 Soften my dreams with your sigh
 After you've loved me for a million years
 Then if it don't work out
 Then if it don't work out
 Then if it don't work out
 Then you can tell me goodbye

[Refrão Final]

Don't pull your love out on me baby
 If you do then I think that maybe
 I'll just lay me down and cry for a hundred years
 Don't pull your love out on me honey
 Take my heart, my soul, my money
 But don't leave me drownin' in my tears
 Then if it don't work out
 Then if it don't work out
 Then you can tell me goodbye

[Final] A7M Gb7 Bm7 E7 A A7M A
