

Glen Hansard And Marketa Irglova - Lies

Tom: C

I think it's time, we give it up
 And figure out what's stopping us
 From breathing easy, and talking straight
 The way is clear if you're ready now
 The volunteer is slowing down
 And taking time to save himself

 The little cracks they escalated
 And before you know it is too late

 For making circles and telling lies
 You're moving too fast for me
 And I can't keep up with you
 Maybe if you slowed down for me
 I could see you're only telling
 Lies, lies, lies
 Breaking us down with your

Lies, lies, lies
 When will you learn

 The little cracks they escalated
 And before you know it is too late

 For making circles and telling lies
 You're moving too fast for me
 And I can't keep up with you
 Maybe if you slowed down for me
 I could see you're only telling
 Lies, lies, lies
 Breaking us down with your
 Lies, lies, lies
 When will you learn

 So plant the thought and watch it grow
 Wind it up and let it go
