

# Glen Hansard And Marketa Irglova - Lies

Tom: C

I think it's time, we give it up  
 And figure out what's stopping us  
 From breathing easy, and talking straight  
 The way is clear if you're ready now  
 The volunteer is slowing down  
 And taking time to save himself  
  
 The little cracks they escalated  
 And before you know it is too late  
  
 For making circles and telling lies  
 You're moving too fast for me  
 And I can't keep up with you  
 Maybe if you slowed down for me  
 I could see you're only telling  
 Lies, lies, lies  
 Breaking us down with your

Lies, lies, lies  
 When will you learn  
  
 The little cracks they escalated  
 And before you know it is too late  
  
 For making circles and telling lies  
 You're moving too fast for me  
 And I can't keep up with you  
 Maybe if you slowed down for me  
 I could see you're only telling  
 Lies, lies, lies  
 Breaking us down with your  
 Lies, lies, lies  
 When will you learn  
  
 So plant the thought and watch it grow  
 Wind it up and let it go
