

Glen Hansard And Marketa Irglova - Say It To Me Now

Tom: **E**

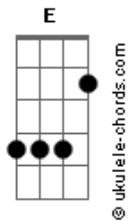

open e tuning!!
Intro: and first verse:

I'm scratching at the surface now
And I'm trying hard to work it out
So much has gone misunderstood
This mystery only leads to doubt

Then the next bit: (s = slide)
And I didn't understand
When you reached out to take my hand
And if you have something to say
You'd better say it now

for last bit of the verse (you better say it now) play this
chord
e ---0
b ---0
g# ---7
e ---0
b ---7

Acordes

e ---7

Then the really loud bit is: (im not a 100% on the second chord but when you play it it sounds good enough)

Cause this is what you've waited for
A chance to even up the score
And as these shadows fall on me now
I will somehow

Cause I'm picking up a message Lord
And I'm closer than I've ever been before

for the last bit of the song:
So if you have something to say
Say it to me now

just slide up and down between these two chords

the outro is just a walkdown
