

Glen Hansard And Marketa Irglova - This Low

Tom: F

F C
 We made a plan that was subject to change
 F E
 So whatever was it works out
 we both get the blame

Am D2 C
 In the arms of this low

F Em7
 And you took the wind right out of my sails
 F E
 By sweating me out on all the little details

Am D2 C
 In the arms of this low

D2 F C
 In the arms of this low

F C
 So thread the light
 Gm F
 Thread the light

Dm C
 Thread the light

Gm F
 Thread the light

--3x--

F C
 We made a choice and we knew we would pay
 F E
 For stealing the joy and trying to escape

Am D2 C
 From the arms of this low

F Em7
 And if by some chance you break from the pack
 F E
 You know I'll be waiting to welcome you back

Am D2 C
 Into the arms of this low

D2 F C
 In the arms of this low

F C
 Thread the light,

Gm F
 Thread the light,

[Dm C Gm F]:

Thread the light,
 Thread the light,
 Shine the light,
 Don't hide the light,
 Live the light,
 And give the light,
 Seek the light,
 And speak the light,
 Crave the light,
 and brave the light,
 Stare the light,
 And share the light,
 Show the light,
 And know the light,
 Raise the light,
 And praise the light,
 Thread the light,
 And spread the light.
