[C] [Am]
So, if you want something
[G]
And you call, call
[F]
Then'll come running
[C] [Am]
To fight, and I'll be at your door
[G] [F]
When there's nothing worth running for

Am
When your mind's made up
G
When your mind's made up
F
There's no point trying to change it
Am
When your mind's made up
G
When your mind's made up
F
There's no point trying to stop it

[C] [Am]
You see, you're just like everyone
[G]
When the shit falls all you want to
[F] [C]

do is run, away
[Am]
And hide all by yourself
[G]
When you're far from me, there's
[F]
nothing else

Am
When your mind's made up
G
When your mind's made up
F
There's no point trying to change it

When your mind's made up
When your mind's made up
There's no point even talking
When your mind's made up
When your mind's made up
There's no point trying to fight it

Am G F

[C] [Am]
So, if you ever want something
[G]
And you call, call
[F]
Then I'll come running.
