

Glen Hansard - Bird of Sorrow

Tom: E

(Intro)
(E B Dbm)(x2)

(Verse 1)

E B Dbm
Even if a day feels too long
E B Dbm
You feel like you can't wait another one
E B Dbm
And you're slowly giving up on everything
A Dbm B
Love is gonna find you again
A Dbm B
Love is gonna find you, you better be ready then

(E B Dbm)(x2)

E B Dbm
Well you been kneeling in the dark for far too long
E B Dbm
You've been waiting for that spark but it hasn't come
E B Dbm
I'm calling to you please get off the floor
A Dbm B
A good heart will find you again
A Dbm B
A good heart will find you, just be ready then

(Chorus)

A
Tethered to a bird of sorrow
A
A voice that's buried in the hollow
B
You're prostrate bound but not believing
Dbm
You've squandered more than you could borrow
A
You bet your joys on all tomorrow
E
And for the hope of some returning
B Dbm
While everything around you is burning

(Verse 2)

E B Dbm
Come on we gotta get out, get out of this mess we've made
E B Dbm
And still for all our talk we're both so afraid
E B Dbm
But will we leave this up to chance like we do everything
A Dbm B
Love is gonna find us again
A Dbm B
Love is gonna find us, you gotta be ready then

(Chorus)

A
Tethered to a bird of sorrow

A
A voice that's buried in the hollow
B
You're prostrate bound but not believing
Dbm
You've squandered more than you could borrow
A
You bet your joys on all tomorrow
E
And for the hope of some returning
B Dbm A
While everything around you is burni.....ing
