

# Glen Hansard - High Hope

Tom: C

C F G  
 I'm working on a high hope  
 C F G  
 And if it all works out you might  
 Am G F  
 just see me or hear from me in a while  
  
 C F G  
 I'm gonna make it 'cross this tight rope  
 C F G  
 And I'm coming for my prize no more  
 Am G F  
 I'll be waiting 'round while life just passes by  
  
 G F  
 Maybe when our hearts have realigned  
 G F  
 Maybe when we've both had some time I'm gonna see you there  
  
 C F G  
 'Cause I've been living in a half-life  
 C F G

Not sure which way to turn. Why must a man  
 Am G F  
 lose everything to find out what he wants

C F G  
 And I'm gonna wait until it feels right  
 C F G  
 And when that time has come wild horses  
 Am G F  
 won't keep me back from where you've up and gone

G F  
 Maybe when we're both old and wise  
 G F

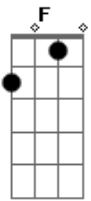

C  
 Maybe when our hearts have had some time I'm gonna see you  
 there

C F G  
 Coz I'm working on a high hope  
 C F G  
 And if it all works out you might  
 Am G F  
 just see me or hear from me in a while
