

Glen Hansard - Take Heart (feat. Ukrainian Action & Marketa Irglova)

tom:

[Primeira Parte]

People, take heart
 It will get better
 Our worlds come apart
 And any moment could end
 There will be no retreating
 We'll fight till the end
 Mourners and keepers
 Will have reason to sing
 We're not giving in

[Pré-Refrão]

Take heart
 It will get easier
 Take heart

[Refrão]

And when the moon is full over Mariupol
 I'll hold on with all my strength
 Through the minutes, through the hours
 And when the skies alight
 Over the whole eastern Donbass tonight
 I wait among the bowed and heavy heads of the sunflowers

[Pré-Refrão]

Take heart
 It will get easier
 Take heart

[Segunda Parte]

People, take part
 We'll do it together
 Though we knew from the start
 We may never again
 See our glory reflected
 On the gathering winds
 We'll forge an alliance

Of lovers and friends

We are fighting to win

[Refrão]

And when the moon is full over Mariupol
 I'll summon all my strengths
 Through the weeks, through the minutes and the hours
 And when the skies alight
 And I don't hear no word from you tonight
 I lay among the bowed and heavy heads of the sunflowers

[Refrão]
