

Glue Trip - Lucid Dream

Tom: C

C C Am Am

Searching new places to go

Darling you'll find me

Darling I'll find you

C C Am Am

Turning pages way too fast

Honey, I'll try to

Slow my hands

C C Am Am

Sleeping longer makes me tired

Sun is shining

But not for me

(Am G Em F)

Am G Em F

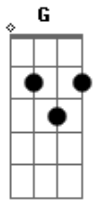

They say it's not right to see you

Am G Em F

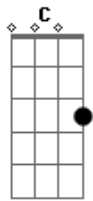

They say it but I won't leave you soon

Any more
