

Gnarls Barkley - Neighbor

Tom: Bb

Now my neighbor likes where I stay
 But doesn't, know, the price that I pay
 My neighbor!! My neighbor!!
 Myyyy neighbor... wants what he sees
 My neighbor!! My neighbor!!
 Myyyy neighbor... thinks he wants to be me
 But he'll never be
 From out my window, seems just fine
 But in his mind, again his world is far from kind
 So I invited him over, could this make a new friend
 But once I got to know ya, wish I never let you in
 Now my neighbor likes my clothes

But hadn't seen me with my scars exposed
 My neighbor!! My neighbor!!
 Myyyy neighbor, ohhh dissatisfied
 My neighbor!! My neighbor's,
 behavior... is unjustified
 I'm sick and tired
 I don't know, if he lives all alone
 But if you're scared of the darkness best leave the lights on
 I had a talk with my neighbor
 Say it simple and plain
 I guess, he understood me
 He never came back again
 Now my neighbor, likes my car
 But no matter where you go, there you are..
