

# Gnash? - Fragile

Tom: E

I'm sorry you saw me shaking  
 Stay with me for a day  
 I've got no one to hold me  
 Cause I, I turn them all away  
 I don't wanna be alone  
 But I'm better on my own  
 Cause I'm fragile  
 God, I'm fragile  
 I'm sorry you saw me breaking  
 But stay with me don't stray  
 God, I wish you would hold me closely

Don't think I don't feel the same  
 I'm better on my own  
 But I don't wanna be alone  
 Cause I'm fragile  
 God, I'm fragile  
 God, I wish I could love you  
 God, I wish I could love you  
 God, I wish I could love you  
 God, I wish I could love you  
 Cause I'm fragile  
 God, I'm fragile
