

# Gnash? - I Hate U I Love U

Tom: G

Feeling used  
 But I'm  
 Still missing you  
 And I can't  
 See the end of this  
 Just wanna feel your kiss  
 Against my lips  
 And now all this time  
 Is passing by  
 But I still can't seem to tell you why  
 It hurts me every time I see you  
 Realize how much I need you

I hate you I love you  
 I hate that I love you  
 Don't want to, but I can't put  
 Nobody else above you  
 I hate you I love you  
 I hate that I want you  
 You want her, you need her  
 And I'll never be her

I miss you when I can't sleep  
 Or right after coffee  
 Or right when I can't eat  
 I miss you in my front seat  
 Still got sand in my sweaters

From nights we don't remember  
 Do you miss me like I miss you?  
 Fucked around and got attached to you  
 Friends can break your heart too, and  
 I'm always tired but never of you  
 If I pulled a you on you, you wouldn't like that shit  
 I put this real out, but you wouldn't bite that shit  
 I type a text but then I never mind that shit  
 I got these feelings but you never mind that shit  
 Oh oh, keep it on the low  
 You're still in love with me but your friends don't know  
 If you wanted me you would just say so  
 And if I were you, I would never let me go

I don't mean no harm  
 I just miss you on my arm  
 Wedding bells were just alarms  
 Caution tape around my heart  
 You ever wonder what we coulda been?  
 You said you wouldn't and you fucking did  
 Lie to me, lie with me, get your fucking fix  
 Now all my drinks and all my feelings are all fucking mixed  
 Always missing people that I shouldn't be missing  
 Sometimes you gotta burn some bridges just to create some distance  
 I know that I control my thoughts, and I should stop reminiscing  
 But I learned from my dad that it's good to have feelings  
 When love and trust are gone  
 I guess this is moving on  
 Everyone I do right does me wrong  
 So every lonely night, I sing this song

I hate you I love you  
 I hate that I love you  
 Don't want to, but I can't put  
 Nobody else above you  
 I hate you I love you  
 I hate that I want you  
 You want her, you need her  
 And I'll never be her

All alone I watch you watch her  
 Like she's the only girl you've ever seen  
 You don't care you never did  
 You don't give a damn about me  
 Yeah all alone I watch you watch her  
 She's the only thing you've ever seen  
 How is it you never notice  
 That you are slowly killing me

I hate you I love you  
 I hate that I love you  
 Don't want to, but I can't put  
 Nobody else above you  
 I hate you I love you

I hate that I want you  
Em D

You want her, you need her  
Em G  
And I'll never be her
