

Gnash? - I Hate U I Love U

Tom: G

Em D
Feeling used

But I'm
Em G
Still missing you

And I can't
Em
See the end of this

Just wanna feel your kiss
G
Against my lips

And now all this time
Em
Is passing by

But I still can't seem to tell you why
Em D
It hurts me every time I see you

Realize how much I need you
Em D
I hate you I love you

I hate that I love you
Em D
Don't want to, but I can't put

Nobody else above you
Em D
I hate you I love you

I hate that I want you
Em D
You want her, you need her

And I'll never be her
Em D
I miss you when I can't sleep

Or right after coffee
Em G
Or right when I can't eat

I miss you in my front seat
Em D
Still got sand in my sweaters

From nights we don't remember
Em D
Do you miss me like I miss you?

Fucked around and got attached to you
Em G
Friends can break your heart too, and

I'm always tired but never of you
Em D
If I pulled a you on you, you wouldn't like that shit

I put this real out, but you wouldn't bite that shit
Em G
I type a text but then I never mind that shit

I got these feelings but you never mind that shit
Em D
Oh oh, keep it on the low

You're still in love with me but your friends don't know
Em D
If you wanted me you would just say so

And if I were you, I would never let me go
Em G

Em D
I don't mean no harm

I just miss you on my arm
Em G
Wedding bells were just alarms

Caution tape around my heart
Em D
You ever wonder what we coulda been?

You said you wouldn't and you fucking did
Em G
Lie to me, lie with me, get your fucking fix

Now all my drinks and all my feelings are all fucking mixed
Em D
Always missing people that I shouldn't be missing

Sometimes you gotta burn some bridges just to create some distance
Em D
I know that I control my thoughts, and I should stop reminiscing

But I learned from my dad that it's good to have feelings
Em D
When love and trust are gone

I guess this is moving on
Em D
Everyone I do right does me wrong

So every lonely night, I sing this song
Em D
I hate you I love you

I hate that I love you
Em D
Don't want to, but I can't put

Nobody else above you
Em D
I hate you I love you

I hate that I want you
Em D
You want her, you need her

And I'll never be her
Em G
All alone I watch you watch her

Like she's the only girl you've ever seen
Em D Em C
You don't care you never did

You don't give a damn about me
Em D Em C
Yeah all alone I watch you watch her

She's the only thing you've ever seen
Em D Em C
How is it you never notice

That you are slowly killing me
Em D Em C

I hate you I love you
Em G
I hate that I love you

Don't want to, but I can't put
Em G
Nobody else above you

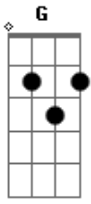

I hate you I love you
Em D
I hate you I love you

Em G

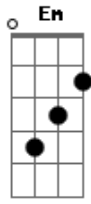

I hate that I want you
Em D

You want her, you need her
Em G
And I'll never be her
