

# Gnash? - I Hate U I Love U

Tom: E

(com acordes na forma de Capotraste na 4ª casa) C)

Am  
Feeling used but i'm  
G  
Still missing you and I can't  
Em  
See the end of this just wanna  
F  
Feel your kiss against my lips and now  
Am  
All this time is passing by but I  
G  
Still can't seem to tell you why it  
Em  
Hurts me everytime I see you  
F  
I realize how much I need you

Am  
I hate you I love you  
G  
I hate that I love you  
Em  
Don't want to, but I can't put  
F  
Nobody else above you  
Am  
I hate you I love you  
G  
I hate that I want you  
Em  
You want her you need her  
F  
And I'll never be her

Am  
I miss you when I can't sleep or  
G  
Right after coffee or right when I can't eat  
Em  
I miss you in my front seat still got  
F  
Sand in my sweaters from nights we don't remember  
Am  
Do you miss me like I miss you?  
G  
Fucked around and got attached to you  
Em  
Friends can break your heart too, and I'm  
F  
Always tired but never of you  
Am  
If I pulled a you on you, you wouldn't like that shit  
G  
I put this real out, but you wouldn't bite that shit  
Em  
I type a text but then I never mind that shit  
F  
I got these feelings but you never mind that shit  
Am  
Oh oh, keep it on the low  
G  
You're still in love with me but your friends don't know  
Em  
If you wanted me you would just say so  
F  
And if I were you, I would never let me go  
Am  
I don't mean no harm I just  
G  
Miss you on my arm  
Em  
Wedding bells were just alarms  
F

Caution tape around my heart  
Am  
You ever wonder what we coulda been?  
G  
You said you wouldn't and you fucking did  
Em  
Lie to me, lie with me, get your fucking fix  
F  
Now all my drinks and all my feelings are all fucking mixed  
Am  
Always missing people that I shouldn't be missing  
G  
Sometimes you gotta burn some bridges just to create some  
distance  
Em  
I know that I control my thoughts and I should stop  
reminiscing  
F  
But I learned from my dad that it's good to have feelings  
Am  
When love and trust are gone I guess  
G  
This is moving on  
Em  
Everyone I do right does me wrong so  
F  
Every lonely night, I sing this song

Am  
I hate you I love you  
G  
I hate that I love you  
Em  
Don't want to, but I can't put  
F  
Nobody else above you  
Am  
I hate you I love you  
G  
I hate that I want you  
Em  
You want her you need her  
F  
And I'll never be her

Am  
All alone I watch you watch her  
Em  
Like she's the only girl you've ever seen  
G  
You don't care u never did  
F  
You don't give a damn about me  
Am  
Yeah all alone I watch you watch her  
Em  
She's the only thing you've ever seen  
G  
How is it you never notice  
F  
That you are slowly killing me

Am  
I hate you I love you  
G  
I hate that I love you  
Em  
Don't want to, but I can't put  
F  
Nobody else above you  
Am  
I hate you I love you  
G  
I hate that I want you  
Em  
You want her you need her  
F  
And I'll never be her
