

# Gnash? - Ilusm

Tom: G

Intro: (Em G Em )

Em Em G  
I always see the light  
Em G  
And you always see the end  
Em G  
Way before the start  
C Am  
I've been trying and  
Em  
Finding that things going right  
G  
Aren't as simple  
Em G  
As everyone told me they would be  
G  
I know that you miss me  
Em  
I'm sorry I'm busy  
G  
Way before the dark  
Em G Em G  
And, don't make the time  
Em G  
For the things you ask from me

C  
Out of breath  
C  
Out of time  
C  
Is it your turn?  
C  
Is it mine?  
Em  
I can't sleep tonight  
Em G  
I can't sleep tonight, no  
C C  
Is it fine, if we find  
Em G  
That in time this isn't right  
Em  
I can't speak tonight  
Em G  
I can't speak tonight, no

C  
Just make me feel special  
Em G  
And make me feel loved  
Em G  
Make me feel something  
Em G  
Lately life's made me numb  
C  
I just want to hold you  
Em  
For just long enough  
C  
So you don't get tired of me telling you  
Am  
I Love You So Much

Em  
If I take care of you  
Em G

Who's gonna take care of me  
Em G  
I could just say take care and leave  
Em G  
But I love how you stare at me

Em  
I stay cause I'm scared to leave  
Em  
I'm not prepared to be  
Em  
Lonely without you see  
Em G  
That just won't feel right  
Em  
I need you in my life

C  
Out of breath  
C  
Out of time  
C  
Is it your turn?  
C  
Is it mine?  
Em  
I can't sleep tonight  
Em G  
I can't sleep tonight, no  
C C  
Is it fine, if we find  
Em G  
That in time this isn't right  
Em  
I can't speak tonight  
Em G  
I can't speak tonight, no  
C  
Just make me feel special  
Em G  
And make me feel loved  
Em  
Make me feel something  
Em G  
Lately life's made me numb

C  
I just want to hold you  
Em  
For just long enough  
C  
So you don't get tired of me telling you  
Am  
I Love You So Much

Em G  
So don't make me, no  
Em G  
Don't make me go  
Em G  
Don't make me

Em G  
In a city I don't know  
Em G  
Hit me three times 'fore the show  
Em G  
I need sleep tonight  
Em G  
You'll be in my dreams tonight, tho.
