

# Gnash? - The Broken Hearts Club

Tom: Eb

I need <sup>Dbm</sup>emotion Novocaine, I need <sup>E</sup>a numbing of my brain  
I need <sup>B</sup>some<sup>B</sup>thin' to take away the <sup>A</sup>remains of your name  
I need <sup>Dbm</sup>amnesia for a day and an <sup>E</sup>umbrella for the rain  
That hasn't gone away since you said you didn't need me

<sup>A</sup>Lately been thinkin' <sup>B</sup>maybe  
There's a <sup>Dbm</sup>place we won't feel so <sup>B</sup>crazy  
Been in a <sup>A</sup>hazy mid-morning <sup>B</sup>daydream  
I found a <sup>Dbm</sup>shady spot that they <sup>B</sup>saved me

<sup>Dbm</sup>They said, "Come be the newest member of the broken hearts club

We hate <sup>B</sup>every little thing about the <sup>A</sup>people that we love  
We're the <sup>Dbm</sup>let-down, we're the <sup>E</sup>lied-to, where the <sup>E</sup>lost go and it finds you  
Where the <sup>B</sup>lonely make the lonely feel less <sup>A</sup>lonely, and we're dyin' to

<sup>Dbm</sup>Invite you to stay, and <sup>E</sup>take away the pain

'Cause misery loves company, so hey, what do you say?"

<sup>Dbm</sup>And at first I wasn't sure if there's even a <sup>E</sup>cure

For what I'm <sup>B</sup>feelin', 'cause what I'm feeling's been feelin' more and more absurd

<sup>Dbm</sup>The repeating in my head of every last word that you said  
Feels like <sup>B</sup>ever since you left, you still won't <sup>A</sup>leave me

<sup>A</sup>And lately, been thinkin' <sup>B</sup>maybe

<sup>Dbm</sup>There might be a place we won't feel so <sup>B</sup>crazy

<sup>A</sup>For changing the way you made me

<sup>Dbm</sup>And in a daydream, I let them <sup>B</sup>save me

<sup>Dbm</sup>I'm the newest member of the <sup>E</sup>broken hearts club

<sup>B</sup>We hate every little thing about the <sup>A</sup>people that we love

<sup>Dbm</sup>We're the let-down, we're the <sup>E</sup>lied-to, where the <sup>E</sup>lost go and it finds you

<sup>B</sup>Where the lonely make the lonely feel less <sup>A</sup>lonely, and we're dyin' to

<sup>Dbm</sup>Invite you to stay, and <sup>E</sup>take away the pain

<sup>B</sup>'Cause misery loves company, so hey, what do you say?

<sup>Dbm</sup>I guess if you can't beat 'em, join 'em

<sup>B</sup>That's what they always say

<sup>E</sup>Let's go inside, let's coincide

<sup>A</sup>And I'll commensurate

<sup>Dbm</sup>Singin', we're the newest members of the <sup>E</sup>broken hearts club

<sup>B</sup>We still feel pretty lonely and we wish we didn't, but

<sup>Dbm</sup>We're the newest members of the <sup>E</sup>broken hearts club

<sup>B</sup>A And we all kinda hate it, but it's easier than love

<sup>Dbm</sup>Singin', we're the newest members of the <sup>E</sup>broken hearts club

<sup>B</sup>And we still feel pretty lonely and we wish we didn't, but

<sup>Dbm</sup>We're the newest members of the <sup>E</sup>broken hearts club

<sup>B</sup>And we all kinda hate it, but it's easier than love
