

# Go Brothers - Love Revolution

tom:

A

If you could break the Revolution

You have Love in your hands

It's a great opportunity

To give flowers to your friends

(I said) Love Revolution

(I said) Love Revolution

(I said) Love Revolution

(I said) Love Revolution

If you love and care someone

Give it energy for a while

Try to do everything

For a happy shine smile

(I said) Love Revolution

(I said) Love Revolution

Love can save your day

Imagine about your life

Doing everything with Love

We always have good time

## Acordes

A

Love has a great power

It shines and it's strong like Sun

It looks like feelings

Like father and son

[Solo]

Love makes your heart beats strong

Like power of nature

It brings you happinies

And make your health richer

(I said) Love Revolution

(I said) Love Revolution

(I said) Love Revolution

(I said) Love Revolution

We could make waves energy

Shaking brothers hands

It's a good start

For humanity, my friend
