

# Go Brothers - The Dark Clouds Above Our Heads

tom:

E

You became a fight

You started a war

It's in you face

Your fear and disgrace

E  
Agony for power and blood

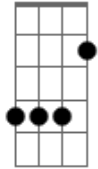

It's in your root

Supremacy of rot

That's what you've got

## Acordes

E

Slavery for humanity

Just to become a celebrity

Tranform evil as a hybrid

Here, there and any city

E

When pests spread

And you decide to Go ahead

Before a beautiful day come instead

Our pour soul will probably dead
