Yeah, you don't know, ah!

That nobody is better than you

You don't know, ah!

That I'm telling you the truth

C7 G7  
More rather than suffer before

Yeah, you don't care about

What comes next to you

You don't even care about  
F7  
What's gonna happen to you  
G7 F7  
You'd better start worrying  
C7 G7  
Instead of limit the damage

Yeah, you don't know, ah!

The success came from hard work  
C7  
You don't know, ah!

Nothing falls from the sky by chance  
G7 F7  
If you start now

G7 F7  
If you can fulfill your dreams  
C7 G7

Yeah, you don't know, ah!

How to share your goals

How much study did I invest!

How much hard work did I do!
