

# Go Cat Go - Lonesome Road

tom:

Intro: E A E A  
E A E

When I went down that lonesome road  
I really didn't know what I was lookin' for  
That's where I found, when I was blue  
And everything I was lookin' for, was only you

So now I'm lookin' (now I'm lookin')  
For a way home (for a way home)

So I won't be on this lonesome road alone  
When I get back, I'll leave the road for good  
And stay at home, right next to you where I should

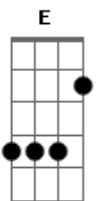

So now I'm lookin' (now I'm lookin')  
For a way home (for a way home)  
So I won't be on this lonesome road alone

When I get back, I'll leave the road for good  
And stay at home, right next to you where I should  
Where I should, where I should
