   Riff 1 (intro)
Riff 2 (tocado no refrão)
Intro: (Em Am D Em )
I never was unruled poseidon
                     Em
My name, it was so often forgotten
But I'm inside of every tree
                Em
I'm inside of every atom
Sky and earth, united by me
                Em
I'm unity, I'm gravity
           Am
I'm a warrior turned dove
I'm hieroglyph of love, love
Riff 2 Em Am D Em
