

# Gogol Bordello - Last One Goes The Hope

Tom: G

Em D  
 Unvisible barbed wire all along  
 B7 Em  
 Around the neck of my song  
 G D  
 He Romale, I'm beat up  
 B7 Em  
 But going strong

Em D  
 Unstoppable fire of my tongue  
 B7 Em  
 And the path ahead that's long  
 G D Em  
 Will get me at the end where I belong

G Am  
 Cause I've seen ship of fools  
 B7 Em  
 Sinking in the dunes  
 G Am Em  
 As I dragged my coffin on the rope  
 G Am  
 Them all look down at me  
 B7 Em  
 But I got all the help I need  
 G Am Em  
 Cause the last one, last one goes the hope  
 G Am Em  
 Last one, last one goes the hope

Em D  
 Unseizable diamond from my sling  
 B7 Em  
 Still is searching for its ring  
 G D B7 Em  
 In a city of ruins where no-one sings

Em D  
 But zombies and willful slaves  
 B7 Em  
 Living in their tiny private caves  
 G D Em

Crooked hands, digging up their graves

G Am  
 Yeah I've seen ship of fools  
 B7 Em  
 Sinking in the dunes  
 G Am Em  
 As I dragged my coffin on the rope  
 G Am  
 Them all look down at me  
 B7 Em  
 But I got all the help I need  
 G Am Em  
 Cause the last one, last one goes the hope  
 G Am Em  
 Last one, last one goes the hope

Dee dee dee...  
 Last one, last one goes the hope  
 Last one, last one goes the hope

He romale, no passarn  
 Hey chavale, non rien de rien  
 You see the thunderbird already starts to spin  
 He romale, no passarn  
 He chavale, non rien de rien  
 Hey, venceremos,  
 ??? ????? ?? ???????!

Cause I've seen ship of fools  
 Sinking in the dunes  
 As I dragged my coffin on the rope  
 Them all look down at me  
 But I got all the help I need  
 Cause the last one, last one goes the hope  
 Ooh, last one, last one goes the hope  
 Ooh, last one, last one goes the hope  
 Ooh, last one, last one goes the hope

Dee dee dee...  
 Ai ai ai...  
 Last one, last one goes the hope (ai goes the hope!)  
 Last one, last one goes the hope  
 Last one, last one goes the hope (ai goes the hope!)  
 Ooh, last one, last one goes the hope

## Acordes
