 E  
 My birth I can hardly remember  
 But I remember from the start  
 My midwives looking at each other  
 B7 "Wow, this boy is born with singing heart"  
 E  
 All doors for him will now fly open  
 Dbm  
 For everybody loves a nut  
 B7  
 Front line amigos sure love that

 Those midwives were like politicians  
 Dbm  
 To bickering they were so proud  
 A  
 One said "life is beautiful gift, boy"  
 B7  
 Other one said "government loan"  
 E  
 I still don't know which one is right girl

 And you know I don't really care  
 A  
 I got to keep my heart a-singing  
 B7  
 And for that anything I'll dare  
 E  
 Oh, for that anything, anything I'll dare  
 E  
 Ukranian
