

Gogol Bordello - Start Wearing Purple

Tom: **C**

Start wearing purple for me now...(0:29-0:33)

I always thought this looked like a fun song to play. It's one of my first tabs, so if it's not correct... But here ya go:
Intro:

All your sanity and wits they will all vanish...(0:34-0:37)

Play that until 0:15 and then play this:

I promise, it's just a matter of time...

(0:20-0:23)

Verse

CHORUS

...Start Wearing purple wearing purple...(0:24-0:29) Just play the **C** chord. The pattern isn't hard to figure out.

CHOURS X1

THE NEXT VERSE DOESN'T HAVE GUITAR, But if you want to play it, just play the verse above.

Then Chorus X4 Even when he's not singing the Chorus part, And THATS IT!
