

Goldfinger - Bro Intro

Tom: **E**

song was almost correct, but it had one note wrong. Here you go:

ALBUM: **STOMPING GROUND**

Here's the intro. All palm muted.

As you can see, the only problem with version 2 was that there should have been a 4 on the **E** string when they put a 0 on the "A" string. This is 100% correct. No mistakes. **GIVE FEEDBACK IF YOU COULD!!!**
