

Goldfinger - I'm Down

Tom: G

(limpo)

^G What the hell do you know, you say
^E As you turn your face right back to me
^G What the hell do you know, you say
^E Like some righteous man better than me

^{Am} Well, I'm down, and you're killing me
^{Am} And I'm down, but still you mean nothing to me

(Dist)

G D E C (4x)

^G What the hell do you know, you say
^E As you try to shrink me to your size
^G What the hell do you know, you say
^E Just because you're scared to try

^{Am} Well, I'm down, and you're killing me
^{Am} And I'm down, but still you mean nothing to me

G D E C (2x)

(apenas baixo)

^G Here we go, singing the same song you've heard a thousand times

^E You think you know the answer

(abafado)

^G Yeah, you won't try it, And you deny it
^G It's the same damn song you've heard a thousand times

(Dist)

^{Am} 'Cause I'm down, and you're killing me
^{Am} Yeah, I'm down, and you're killing me
^G Well, I'm down, yeah, I'm down...

^G What the hell do you know, you say
^E Well, I think I know way more than you
^G What the hell do you know, you say
^E 'Cause I know to myself I am true

(limpo)

^{Am} Well, I'm down, and you're killing me
^{Am} Yeah, I'm down, and you're killing me

(dist)

^{Am} When you're down, well, I'll walk away
^{Am} When you're down... but still you mean fuck-all to me
^D ...Yeah, nothing to me

Acordes
