i listened to this song many times and i'm pretty sure  
 i got this right.

key:  
 ~ let ring  
 / slide up  
 \ slide down

=====

(standard tuning)  
 Intro: REAK:

(both of these 2x)

VERSE #1:

fly off the handle once again and now its too late  
 hear the door slam shut you're gone and now its so late

i can still feel the sting of your hand across my face

again the last thing taht i wanted was to hurt you

CHORUS:

still i'm sitting alone again  
 i feel i'm writing the same thing again  
 and if i want to i can just shutup  
 now i know that i've got

nothing to prove to you

nothing to prove to you  
 nothing to prove to you  
 nothing to prove to you

still i'm fighting cause there's

something to prove too

VERSE #2:

i here your car drive in the lot its three this morning  
 where have you been what could i do youre drunki'msorry

i dont know how to feel or what to say how should i act  
 then we lay down i feel so numb i wish you'd kill me

(THEN CHORUS)  
 (BREAK)

VERSE #3:

fly off the handle once again and now its to late  
 hear the door slam shut youre gone and now its so late  
 i can still feel the sting of your hand across my face

again the last thing that i wanted was to

hurt you, yyyyyyyyyyyyyeeeeeeeeeeeeaaaaaaahhhhhhhhhh!!

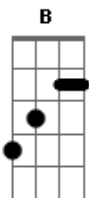

(THEN CHORUS)

OUTRO:

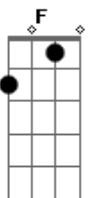

me!!

that is all of it. i hope you can understand it.  
 cuz otherwise i just wasted my time.  
 what else.....  
 oh yeah!!
