

Goldfinger - Radio

Tom: **D**

Intro: (Sem distorção)

COM DISTORÇÃO

Verse 1 e 2 (Power Chords - Distorção)

Verse 1

It's 9 o'clock she's late for work
She hates her job her boss is a jerk.
Her boyfriend never let's her play
She thinks she's wasting life away

Verse 2

It's 5 o'clock she gets in her car
She's drivin fast but never goes far.
Parked on the freeway slips in a rage
Time to ride the air waves

Refrão

Long live my radio
It never let's me down
Long live my radio
Give me sound

Solinho

Verse 3 e 4 (Palm Mute - Abafado)

Verse 3 (Só abafado!!)

Nothing to do Nothing to say
Just trying to find another way
To a different world some other plane
Where I can be myself without goin insane

Verse 4 (DISTORÇÃO ABAFADA!!!)

This little place that we call life
There's more to it than just painted stripes

Gotta find that somewhere in your brain
Gotta ride some air waves

Refrão

Long live my radio
It never let's me down
Long live my radio
Give me sound

Bridge 1

Long live my radio please make it alright.
Long live my radio tonight.

Bridge 2

Bridge 2

And when the statics screaming louder than your life.
Just try to ride a wave in the air tonight.

I make a dedication try to make it right.
So you can hear it on the airwaves, airwaves.
Long live my radio it never lets me down
Long live my radio tonight.

Refrão

Long live my radio (always)
It never let's me down
Long live my radio
Give me sound
Long live my radio (oh) please make it alright.
Long live my radio tonight...tonight..
Long live my radio tonight

Entra junto com o "TONIGHT" (baixo)

Solo Final (Guitarra)
