## **Goldfinger - Radio**

Tom: D Gotta find that somewhere in your brain Gotta ride some air waves Intro: (Sem distorção) Refrão COM DISTORÇÃO Long live my radio It never let's me down Long live my radio Verse 1 e 2 (Power Chords - Distorção) Give me sound Bridge 1 Verse 1 It's 9 o clock she's late for work She hates her job her boss is a jerk. Long live my radio please make it alright. Her boyfriend never let's her play She thinks she's wasting life away Long live my radio tonight. Verse 2 It's 5 o clock she gets in her car Bridge 2 She's drivin fast but never goes far. Parked on the freeway slips in a rage Time to ride the air waves Bridge 2 And when the statics screaming louder than your life. Refrão Just try to ride a wave in the air tonight. I make a dedication try to make it right. Long live my radio It never let's me down So you can hear it on the airwaves, airwaves. Long live my radio it never lets me down Long live my radio Long live my radio tonight. Give me sound Refrão Solinho Long live my radio (always) It never let's me down Verse 3 e 4 (Palm Mute - Abafado) Long live my radio Give me sound Verse 3 (Só abafado!!) Long live my radio (oh) please make it alright. Nothing to do Nothing to say Long live my radio tonight...tonight... Long live my radio tonight Just trying to find another way To a different world some other plane Where I can be myself without goin insane Entra junto com o "TONIGHT" (baixo) Verse 4 (DISTORÇÃO ABAFADA!!!) This little place that we call life Solo Final (Guitarra) There's more to it than just painted stripes
