[Refrão]

F7M Am G  
I got orange blossoms in the air right now  
F7M Am G  
Smells so sweet 'til they hit the ground  
F7M  
I won't save my breath for another day  
Am G  
'Cause the wind might come, blow them all away  
F7M Am G  
And there's orange blossoms in the air right now

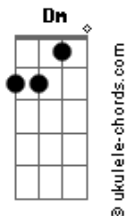

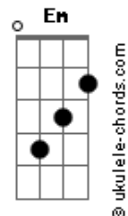

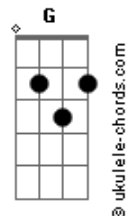

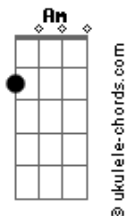

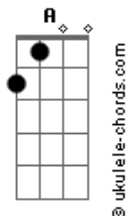

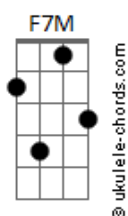

[Primeira Parte]

F7M  
The deeper I go the more I find  
Am G  
Am I just fruit here on this vine  
F7M Am G  
Falling perfectly in time today?  
F7M  
Or did I fall too deep in my metaphor?  
Am  
'Cause I can't think of anything I wanted more  
F7M Em Dm  
Than to see the colours of my seasons change

[Segunda Parte]

F7M  
One thing about her, she don't stay long  
Am  
I'm always late to where she's going  
F7M Am G  
That's why I'm holding on so desperately  
F7M  
It's like I fell too deep in her metaphor  
Am  
Looking for the reason why I met her for  
F7M Em Dm Em  
She's always laughing as she turns to leave
