

Gonzaguinha - Alô Alô Brasil

tom: E

É tão bom poder andar pelo o país
 E penetrar os corações
 Poder fazer você feliz
 Poder fazer você cantar
 Amenizando o dia a dia
 Com um pedaço de alegria
 Que eu invento no meu peito
 Só pra te agradar

É tão bom poder andar pelo o país
 O meu pedaço de ilusão
 O meu pedaço de irmão
 O meu pequeno coração
 E penetrar em cada lar
 Com um pedaço de esperança

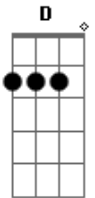

Que eu arranco do meu peito
 Pra te alimentar

Alô alô Brasil
 Alô você mais acolá
 Não adianta só chorar
 Não faz mal, nenhum sonhar
 Eu fiz uma canção bonita
 Pra você assim aflita

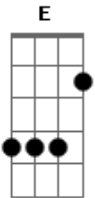

Saber
 Que juntos
 Podemos até fazer chover

Alô alô Brasil
 (Am Dm Db Eb F F7)
 Alô alô Brasil
 [Final] Am Dm Db Eb F
