

# Gonzaguinha - O Saco Cheio de Noel

Tom: G

Papai Noel baixou lá em casa  
 No úl...tímo natal. Estava mal...  
 ... Vermelho, desbotado,  
 Magro e acabado,  
 Bem tipo pioral.  
 E me pediu um prato de comida  
 E eu só pude dar um grãozinho de feijão,  
 Que era um presentinho,  
 Que comprei a prestação,  
 Pra dar pro meu irmão.

Eu vi Noel de saco cheio,  
 E desempregado.  
 É que o negócio tá tão feio,  
 Que nego ainda querendo transar  
 Os seus viados.  
 Eu vi... Noel de saco cheio,  
 E desempregado.  
 É que o negócio tá tão feio,  
 Que nego ainda querendo transar (3x)  
 Os seus viados.  
 Viados... viados... viados
