

Gonzaguinha - Paixão

Tom: A

Intro: A7 E7 A7 E7 D7 Dbm7 D7 E E

E então eu roubei a rosa, a rosa que me espetou
 Profundo golpe no peito foi o espinho da dor do amor
 Então eu fugi com a moça segundo a trilha da lua
 A lua dos olhos dela, foi o fogo que nos guiou

E eu e ela, e ela e eu sobre a sela do cavalo
 Coração, corrida louca, louco sonho, vou sonhá-lo
 E ela e eu, e eu e ela e o cavalo chama vida
 Voando nas asas do vento, virando as folhas do tempo

Na paixão galope louco, sem ver portas ou janelas

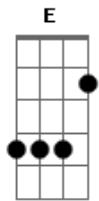

Sem ver trancas ou tramelas ela e eu e eu e ela

E eu e ela, e ela e eu sobre a sela do cavalo
 Coração, corrida louca, louco sonho, vou sonhá-lo
 E ela e eu, e eu e ela e o cavalo chama vida
 Voando nas asas do vento, virando as folhas do tempo

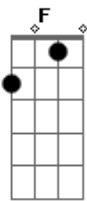

Na paixão galope louco, sem ver portas ou janelas
 Sem ver trancas ou tramelas ela e eu e eu e ela

E então eu roubei a rosa, a rosa que me espetou
 Profundo golpe no peito foi o espinho da dor do amor
