

Gonzaguinha - Sangrando

Tom: D

Quando eu soltar a minha voz por favor, entenda
 Que palavra por palavra
 Eis aqui uma pessoa se entregando
 Coração na boca, peito aberto, vou sangrando
 São as lutas dessa nossa vida que eu estou cantando
 Quando eu abrir minha garganta, essa força tanta
 Tudo aquilo que você ouvir

Esteja certa que eu estarei vivendo
 Veja o brilho dos meus olhos e o tremor das minhas mãos
 E o meu corpo tão suado, transbordando toda raça e emoção
 E se eu chorar e o sal molhar o meu sorriso
 Não se espante, cante que o teu canto
 É minha força pra cantar
 Quando eu soltar a minha voz por favor entenda
 É apenas o meu jeito de viver, o que é amar
