

Goo Goo Dolls - All Eyes On Me

Tom: C

Tuning: EADGce

(a la Naked and We Are The Normal)

I've heard Johnny plays this with a dropped-D, but it is not necessary as far as this tab is concerned, however, it may be easier for you.

C - x35500

G - 355000

Am7 - 577000

F - 133000

B - x24400 (actually a B/min9, I believe)

E - 022000

Intro:

Verse:

Daylight burns your sleepy eyes

It's hard to see you dreaming

You hide inside yourself

I wondered what you're thinkin'

And everything you're chasing

It seems to leave you empty

C E F
And it won't take long to burn
All eyes on me

C E F
Through the nothing that you've learned
All eyes on me

C E F
And the things you choose to be

G C Am7
All eyes on me (on "me" start rhythm figure 1, at end)

G F
But your eyes look away

C Am7
It's so hard to be someone
G F
Strung out from today
Am7 B C
And all that you knew slips away

(repeat intro)

(verse)

You drown in deeper oceans
Inventing new religions
They smile and stab my back and
I lie and have to laugh

(chorus)

And it won't take long to burn
All eyes on me
Through the nothing that you've learned
All eyes on me
And the things you choose to be
All eyes on me

But your eyes look away
It's so hard to be someone
Strung out from today
And all that you knew slips away

(repeat intro)
