

# Goo Goo Dolls - Become

Tom: C

## VERSE 1

C G  
There's so much more about you that you never let them see

F C  
You turn away

C C  
But not to me

C  
And I know how they tried to take you

G F  
Held you up and meant to break you down

C  
But you can't be

C  
For so long I tried to reach you

G  
I know I'm almost there

F C  
I'm close enough for you to see

C G Am F  
You've been hiding in the shadows

G F  
Have you forgotten how we used to dream

Am  
Let me remind you

G Am  
The light doesn't blind you at all

F  
It just helps you see

G  
Can you see

G

## CHORUS:

C G  
Yeah you have become

F C  
Yeah you have become beautiful
