

Goo Goo Dolls - Before It's Too Late

Tom: C

Don't fall just be who you are

INTRO

BRIDGE:

VERSE 1 (Play Intro x2)

I wonder through fiction to look for the truth
 Buried beneath all the lies
 And I stood at a distance to feel who you are
 Hiding myself in your eyes (Right on "...eyes" you play a Palm Muted C)

Am C
 So live like you mean it

G F
 Love 'til you feel it

Am C G F
 It's all that we need in our lives

F G Am C
 And hold on before it's too late

Am C
 So stand on the edge with me

F G Am
 Until we leave this behind

G F
 Hold back your fear and see

F G Am C
 Don't fall just be who you are

Am G C
 Nothing is real til it's gone

VERSE 2 (Same as Verse 1):

And the risk that might break you
 Is the one that would save
 A life you don't live is still lost
 So stand on the edge with me
 Hold back your fear and see
 Nothing is real 'til it's gone (Play a Palm Muted C right on "...gone")

F G Am C
 And hold on before it's too late

F G Am
 Until we leave this behind

F G Am C
 Don't fall just be who you are

(Repeat Chorus once more, and then...)

F G Am
 It's all that we need in our lives

F G Am
 It's all that we need in our lives

F G C
 It's all that I need in my life.
