

Goo Goo Dolls - Dizzy

Tom: G

Tuning:

This tab is in standard tuning. Johnny plays this with a guitar tuned to EADGC^G which makes the break part easier to play. If you actually want to tune your guitar like that, just transpose the notes.

Intro: E

Verse:

You're cynical and beautiful
You always make a scene

You're monochrome, delerious
You're nothing that you seem

I'm drownin in your vanity
Your laugh is a disease

You're dirty and you're sweet
You know you're everything to me

Chorus:

Oooh, everything you are
Falls from the sky like a star
Everything you are
Whatever ever you are

(verse)

I wanna kill at the machine
That made you piss away you dreams
Tear down your defenses
Till there's nothing there but me
You're angry when you're beautiful
Your love is such a tease
I'm drowning in your Dizzy noise
I wanna feel you scream

(chorus)

Oh, everything you are
Falls from the sky like a star
Everything you are
Whatever ever you are

Break: (guitar 1 on top, guitar 2 on bottom)
