Tab made by Joakim Nordin
Note that the amount of notes during the solo isn't intended
to be an exact representation of the song, becous it's so
similar
for a long time there, but if you listen to the song, you
should be
able to feel when to make the changes.
As usual, I'm sure this has lots of misstakes in it. So if you
figure out my misstakes, please mail them to me.
Cheers!
